### **FOR IMMEDIATE RELEASE**

#### **VILLAGE OF WESTON TO HOST COMMUNITY INFORMATION SESSIONS IN ADVANCE OF APRIL 7, 2026, REFERENDUM**

(February 2, 2026) WESTON, WI – At its January 19, 2026, meeting, the Village of Weston Board of Trustees approved placing a referendum question on the April 7, 2026, spring election ballot regarding staffing needs for the South Area Fire & Emergency Response (SAFER) District.

The SAFER District was created in 2014, as a partnership between the Village of Weston and Village of Rib Mountain. Since creation, the department's staffing numbers have remained consistent, while the call volume has significantly increased.

Under current state law, the Village's levy increase for the 2027 fiscal year is limited to 0% or net new construction, which for 2025 was 2.29 percent, resulting in a maximum allowable levy of \$5,907,763. The referendum will ask voters whether the Village should be permitted to exceed this limit and increase the levy by a total of 10% for fiscal year 2027, resulting in a levy of \$6,507,763.

The proposed increase would be used to fund the Village of Weston's share of SAFER costs to hire and retain six additional full-time firefighter/paramedics. If approved, the levy would include an ongoing increase of \$600,000 annually in each future fiscal year.

#### **Referendum Question as It Will Appear on the Ballot:**

*Under state law, the increase in the levy of the Village of Weston for the tax to be imposed for the next fiscal year, 2027, is limited to 2.29%, which results in a levy of \$5,907,763. Shall the Village of Weston be allowed to exceed this limit and increase the levy for the next fiscal year, 2027, for the purpose of paying the Village of Weston's share of the cost for SAFER to hire and retain six additional full-time firefighters/paramedics, by a total of 10%, which results in a levy of \$6,507,763 and on an ongoing basis, include the increase of \$600,000 for each fiscal year going forward?*

#### **If a Majority Vote "Yes"**

If approved, a \$600,000 increase to the property tax levy would allow the Village to pay its share of the cost for SAFER to hire and retain six additional full-time firefighters/paramedics.

For a home assessed at \$250,000, this amounts to \$85.00 per year, based on 2025 assessed values.
